## Weekend Fashion Fix

BY MARISA BELL

A chic ladylike clutch in any soft neutral shade is one of the most versatile accessories. If you can, it is well worth investing in skin but if not go for printed leather which has the same super luxe look. We love this irresistible Belen Echandia clutch - a gorgeous shade of tan, affordable and the perfect accessory for this season's French Polish trend.

*Printed tan leather 'Clutch Me' clutch, £199, [Belen Echandia](#) and at [Harvey Nichols](#) 020 7235 5000*

*Louis Vuitton A/W09*
